If the vehicle is registered in North Carolina, notice shall be given within twenty-four (24) hours. If the vehicle is not registered in the state, notice shall be given to the registered owner within seventy-two (72) hours from the removal of the vehicle.

After the removal of an abandoned vehicle, nuisance vehicle or junked motor vehicle, the owner or any other person entitled to possession is entitled to a hearing for the purpose of determining if probable cause existed for removing the vehicle. A request for hearing must be filed in writing with the county magistrate designated by the Chief District Court Judge to receive such hearing requests. Upon regaining possession of a vehicle, the owner or person entitled to the possession of the vehicle shall not allow or engage in further violation of this Ordinance.

Sec. 18.1.12. - Sale and disposition of unclaimed vehicle.

In no case will a vehicle be removed by the Town from private property without a written request of the owner, occupant or lessee, except in those cases where a vehicle is a nuisance vehicle or is a junked motor vehicle which has been ordered removed by the Town Manager. The Town may require any person requesting the removal of an abandoned, nuisance or junked motor vehicle from private property to indemnify the Town against any loss, expenses or liability because of the removal, storage, or sale thereof.

Sec. 18.1.14. - Protection against criminal or civil liability.

Sec. 18.4.5 - Abatement by Town.

Following an appeal hearing, if the Town Council has ordered the Town's Code Enforcement Officer to abate the nuisance condition on the affected lot, the Code Enforcement Officer shall deposit a first class mail notice, postage prepaid, to the property owner as reported by the Montgomery County Tax Department that he or she must abate the nuisance within ten (10) days of the deposit. If the property owner within this ten-day period neglects to abate the public nuisance condition, then the Code Enforcement Officer shall cause the condition to be removed or otherwise remedied by having employees of the Town, or subcontractors retained by the Town, go upon the premises and remove or otherwise abate the nuisance under the supervision of the Code Enforcement Officer. The expense of remedying the abatement shall be paid by the property owner. If the expense is not paid, it is a lien on the land or premises where the nuisance occurred, and such lien shall have the same priority and be collected as unpaid ad valorem taxes. In addition hereto, any such unpaid expenses shall be a lien on other property owned by such property owner located within the Town's corporate limits, or within one (1) mile of the Town's corporate limits, except for such property owner's primary residence, and such lien shall have the same priority as a money judgment lien.

Sec. 18.4.6 - Costs of abatement; lien.

- (a) The actual cost and associated expenses including advertising, certified mail and attorneys fees incurred by the Town in removing or otherwise remedying a public nuisance shall be charged to the owner of such lot or parcel of land, and it shall be the duty of the Tax Collector to mail a statement of such charges to the owner or other person in possession of the premises with instructions that such charges are due and payable within thirty (30) days from the receipt thereof.
- (b) In the event charges for the removal or abatement of a public nuisance are not paid within thirty (30) days after the receipt of a statement of charges, such charges shall become a lien upon the land or premises where the public nuisance existed and shall be collected as unpaid taxes, as provided in G.S. 160A-193.

Sec. 18.4.7 - Annual notice to chronic violators.

The notice given to violators required in [Section 18.4.7](#) is modified as set forth herein for chronic violators of the nuisance condition for tall noxious weeds or grass enumerated in [Section 18.4.7\(a\)](#). A chronic violator is a person who owns property whereupon, in the previous calendar year, the Town gave notice of violation at least three (3) times for the nuisance condition of tall noxious weeds or grass. The Town may notify a chronic violator of the Town's public nuisance ordinance that, if the violator's property is found to be in violation of [Section 18.4.7 \(a\)](#) in the subsequent and consecutive year(s), the Town shall, without further notice in the calendar year in which notice is given, take action to remedy the violation, and the expense of the action shall become a lien upon the land or premises where the nuisance occurred and shall have the priority and be collected as unpaid ad valorem taxes, unless paid by the property owner. In addition hereto, any such unpaid expenses shall be a lien on

other property owned by such property owner located within the Town's corporate limits, or within one (1) mile of the Town's corporate limits, except for such property owner's primary residence, and such lien shall have the same priority as a money judgment lien. The annual notice shall be sent by certified or registered mail.

Sec. 18.4.8 - Procedure not exclusive.

The procedure set forth in this chapter shall be in addition to any other remedies that may now or hereafter exist under law for the abatement of public nuisances and this chapter shall not prevent the Town from proceeding in a criminal action against any person, firm, or corporation violating the provisions of this chapter as provided in G.S. 14-4.

Hugh Martin Property

Town Manager Brandon Holland said there has been an "Offer to Purchase" for the Hugh Martin property. As previously discussed we will have to go through the public hearing process to reassign a new tax value to accommodate this sale. If the Board wishes to move forward a public hearing will have to be set for the August 14th Board Meeting and in the meantime, a new value will need to be assigned to the property through the Tax Office. The Offer also includes an additional \$800 to cover the Town's legal fees.

- Current Lien - \$14,257.80
- Requested New Lien - \$7,500
- Legal Fees - \$800
- Purchase Offer - \$9,800

A motion was made by Mayor Pro Tem Smith, seconded by Commissioner Reynolds, and so the motion carried unanimously to schedule a public hearing for the August 14th Board Meeting.

Introduction – Water & Sewer Ordinance

Town Manager Brandon Holland said Deputy Clerk Laura Jordan recently attended the Public Enterprise Utility Billing and Collection course. During her time there she learned that the State requires Municipalities to have an all-inclusive Water and Sewer Ordinance. The Town has some of these components in place already, but there are some that are not specified in our current ordinances. The attached document will cover our general ordinance needs at this time, and has been modeled by other municipalities.

It's recommended that a Public Hearing be set for the next meeting to provide an opportunity for public input and inspection of the document and to give staff more time to review and present necessary changes to the Board. Laura will explain in a little more detail at this time.

A motion was made by Commissioner Anderson, seconded by Commissioner Reynolds, and so the motion carried unanimously to schedule a public hearing for the August 14th Board Meeting.

Tree City USA Application

Town Manager Brandon Holland said the Town will be looking to be designated as a member of Tree City USA in the near future. The Town already meets a majority of the requirements and will not incur any additional expenses. The application is due in December; there are a few

things that will need to be done on our part in the meantime. This designation could open up some opportunities for grants also. This information was provided as information only, no action is needed at this time.
