BIOs

**A Sneak
Peek
Into
Commissioner
David
Asbill's
Life
as a
Biscoe Native**

By Mya Ellis

My name is David Asbill. I have lived in Biscoe all of my life. I am a graduate of East Montgomery High School. After high school I graduated from the University of North Carolina at Greensboro with a bachelor's degree in accounting.

I began working at the age of 15 at Miller's Hardware in Biscoe and continued working there part time until I graduated college. I met many local people there and I enjoyed that time. Following graduation, I began working at KM Machine Company in Biscoe and that is where I have remained since 1999. KM Machine has recently transitioned to Jordan Innovative Fabrication where I am currently employed as a Project Manager.

I have been married to my wife Lisa for 20 years. We have two children Alyssa (13) and Ethan (9). We spend most of our time working around the house, gardening, attending church services/functions, watching, and practicing baseball with Ethan or taking short RV trips.

My family has a long history in Biscoe. I can see the homes where the last four generations of my family were raised from my front porch. Both my grandfather and my father retired from the Biscoe Fire Department with more than 20 years of volunteer service. I have served on that same department since 2003 and hope to retire there as well. My father was employed as Superintendent of Public Utilities at the Town of Biscoe for 27 years. I spent the majority of my time as a teen and young adult learning about life and town business from him. That is where my desire to serve as Town Commissioner began. My goal is to see business growth here that will provide more local employment opportunities as well as new affordable housing. The Town of Biscoe has enormous opportunity to help its citizens and I would like to see that capitalized upon. Serving all of the town citizens is what local government should be about. Those people are what make Biscoe special.

From Educator to Commissioner

By Mya Ellis

Also, as a proud graduate from East Montgomery High School, Kenneth Lynthacum is no stranger to the career field of education. Kenneth has lived in Biscoe for 16 years, along with being a volunteer fire fighter for the Biscoe Fire Department for over more than 20 years. He graduated from Montgomery Community College with an Associate degree of Applied Science in Criminal Justice. Mr. Lynthacum then went on to become a public safety teacher for Montgomery County Schools. Kenneth is married and has 4 lovely children, that he enjoys spending his quality time with.

“My favorite thing about Biscoe is definitely how the people make you feel. Everyone is very friendly. Everybody is somebody. I see Biscoe expanding with a few more businesses and hopefully a plan for sustainable growth for the future!”

IMPORTANT

BISCOE CEMETERY

We are gathering information to begin the process of digitizing the Biscoe Cemetery. If you own a plot at the cemetery in Section A or B, please contact Town Intern Mya Ellis at 910.428.4112 ext. 250.

Congratulations to Senior Patrol Officer Voncannon earning 2021 Officer of the Year award.

Commissioner Kay-Kinch, Commissioner Jay Patel, Town Clerk Laura Morton, and Town Intern Mya Ellis attended a 2 day long elected officials training in Cary, NC. Commissioner Kay-Kinch led a panel discussion amongst other commissioners to give the newly elected officials some insight on their experiences in government and as a board member. The training helped to gain a deeper appreciation for the value of governing at the municipal level, and for the importance of developing the skills and behaviors that lead to be an effective local elected official. Additionally, the course helps to teach the basics of municipal government authority, finances, functions, keys to governing body effectiveness and your role as a member, legal boundaries of ethics and transparency, and the importance of developing positive relationships with your colleagues, staff, and external partners and organizations that influence life in your communities.

PURPLE
HEART
TOWN

The Town of Biscoe is excited to offer residents an easy and convenient method to view and pay their utility bills online.

Pay by Phone - Make a payment (credit/debit card or e-check) by phone 24/7 with our automated phone service by calling (910) 348-4949.

This is a fee-based service. For credit/debit card payments or EFT/ACH (e-check) payments, there is a \$2.95 convenience fee. Water Bills may be viewed online as well.

www.townofbiscoe.com

Click on Pay Your Water Bill and follow the instructions.
