PHONE NUMBER _____

- In accordance with the Town of Biscoe Code of Ordinances (Section 5-1-7) every application for water connection (tap) and sewer connection (tap) shall be made on the form provided by the Town, shall be signed by the applicant, shall be accompanied by the proper fee for making connections, and a copy filed with the superintendent
- Each customer applying for water service shall pay a connection fee in the amount fixed by the Board of Commissioners.
- If a bore or push under a street, sidewalk roadway, or railroad tracks outside city limits is necessary, the application shall pay the cost of the bore (per invoice) before any services are made available.
- Schedules of current water and sewer rates are available to the public in the Clerk’s office.
- Once a tap has been made and water service is extended to the customer, a minimum monthly charge is made, even if no water is consumed.
- Non-charging of the minimum monthly service charge may be requested, at which time the meter box will be locked until reconnection is required and a reconnection fee is paid.

I have read the above statements and agree to abide by the requirements of this application.
