Streets - Paving

The Board discussed paving streets and fixing potholes throughout town. They discussed which roads should be paved and what type of paving should be used. It was a concensus to have a contractor make a priority list and then make a plan with a paving schedule.

Public Works Excavator

The Board discussed the need for an excavator for Public Works. Public Works Director Sam Stewart said the cost to rent an excavator is \$1200 per day. The price proposed in the budget includes a Hudson Trailer.

Commissioner Jackson asked if it would be financed or if it would be a one time purchase. Manager Holland said it is a one time purchase.

Manager Holland said there is no proposed fee change in the proposed budget.

Roofing – Scout Hut and Leach Street Community Center

The Board then discussed roof repair at the Scout Hut and the Leach Street Community Center. Manager Holland said the roof repair for both buildings is \$10,000.

Mayor Reynolds said before we repair the roof at the Leach Street Community Center, the Board needs to meet with the Board.

Commissioner Jackson asked if the building is being used now? Mayor Reynolds said no. There are other repairs that need to be made too. Jackson said if more work needs to be made, who is going to make the other repairs.

Mayor Reynolds said we need more information.

Mayor Pro-tem Anderson said the building will have to be open to everyone. We can't build or repair someone else's building.

After the Board discussed the ownership of the building they directed Town Manager Holland to contact Zondra Harris and set up a meeting.

Private Utility Support

The Board discussed private utility support. The Board agreed the town should not get involved with private connections.
