### Biscoe Mourns the Loss of Mayor Pro-tem Gene Anderson

*On early Monday, July 12, Mayor Pro-tem Gene Anderson's house caught on fire. His wife Mary was able to escape the flames, but sadly, he was not able to escape. This is a tremendous loss for our community. Mr. Anderson loved the Town of Biscoe, its citizens, and town staff. He led with respect and dignity. At his memorial service one of his church family said the world needs more people like Gene. His obituary is as follows:*

#### Obituary of Gene Anderson

Biscoe- Harold Eugene "Gene" Anderson, 82, died at his home on Monday, July 12, 2021, in a tragic house fire.

Gene established the Gunsmithing Program at Montgomery Community College in 1976 and taught for 23 years. Gene was a graduate and former instructor of the Pennsylvania Gunsmithing School. He was elected to the Town of Biscoe's Board of Commissioners in 2005 and was appointed Mayor Pro-tem in 2019. He served honorably and was one of the most respected men in Montgomery County. He was active in the community and all town events. He was a member of the ABC Board and the MCC Retirees. He served in the US Coast Guard. Gene was honored as a Lighthouse Keeper at the DeTour Reef Lighthouse in Michigan during weekend festivities by the DeTour Reef Lighthouse Preservation Society. The former Lighthouse Keepers were present and received recognition for their service during the Anniversary Celebration. Gene was a nationally recognized gun maker. His work is still recognized by former students, professionals, and collectors around the world. Gene was a modest man who never sought the spotlight but was loved and respected by everyone he met. Gene was the recipient of many awards throughout his teaching and public service careers, including Instructor of the Year and Teacher of the Year. He was an active member of the Star United Methodist Church in Star, NC serving in multiple leadership capacities.
